

§ 1430.206

(c) MILC payments will be made consecutively to the dairy operation on a monthly basis after the starting month has been designated until the earlier of the following:

(1) The maximum payment quantity is reached as determined in accordance with §1430.207; or

(2) The end of the applicable Fiscal Year.

(d)(1) Dairy operations that do not designate the month to begin receiving payments from CCC will be issued consecutive payments on a monthly basis, on marketed milk production beginning in the first month of the fiscal year, unless FSA is otherwise notified that selection will be made at a later date.

(2) Dairy operations that desire payments to begin with the first month of the fiscal year will receive payments made by CCC consecutively on a monthly basis until the earlier of the following:

(i) The maximum payment quantity is reached as determined in accordance with §1430.207; or

(ii) The end of the applicable fiscal year.

(e) All producers involved in the dairy operation must agree to the month designated. The dairy operation assumes the risk of not reaching the maximum payment quantity based on the month selected by the dairy operation. Payments will not be issued for past months for the sole purpose of reaching the maximum payment quantity.

§ 1430.206 Transition payments.

(a) MILC program participants shall receive a payment calculated under §1430.208 on the quantity of eligible production marketed by the dairy operation during the period beginning December 1, 2001, and ending on the last day of the month preceding the month the operation's MILC is executed.

(b) Transition payments are subject to the following:

(1) The maximum payment quantity on eligible production, as described in §1430.207;

(2) Consecutive monthly payments beginning on December 1, 2001, and if applicable the beginning of the fiscal year thereafter, until the earlier of the

7 CFR Ch. XIV (1-1-06 Edition)

following is reached for a particular fiscal year:

(i) The maximum applicable payment quantity is reached as determined in accordance with §1430.207; or

(ii) The end of the applicable fiscal year.

(c) With respect to the 2002 Fiscal Year, the dairy operation may elect to forgo their transition payment and choose to begin receiving payments in September, 2002 in accordance with §1430.205.

(d) Notwithstanding any other provisions in this subpart, dairy operations that go out of business after December 1, 2001, may enter into a MILC with CCC for a transition payment on the quantity of eligible production marketed by the dairy operation during the transition period while the dairy operation was in business.

§ 1430.207 Dairy operation payment quantity.

(a) The applicant's payment quantity of milk will be determined by CCC, based on the quantity of milk that was produced and commercially marketed by each dairy operation per fiscal year.

(b) The maximum quantity of eligible production for which dairy operations are eligible for payment per any fiscal year, including any in the transition year, under this subpart shall be 2.4 million pounds (24,000 cwt.) per separate and distinct operation. In accordance with these regulations, the Deputy Administrator shall determine what is a separate and distinct operation and that decision shall be final.

§ 1430.208 Payment rate and dairy operation payment.

(a) Payments under this subpart may be made to dairy operations when the Boston Class I milk price under the applicable Federal milk marketing order is below \$16.94 per cwt. No payments will be made to dairy operations for marketings during the months that the Boston Class I milk price under the applicable milk marketing order exceeds \$16.94.

(b) A per-hundredweight payment rate will be determined for the applicable month by:

(1) Subtracting from \$16.94 the Class I milk price per cwt in Boston; and
